GENERAL TERMS OF SALE

1. The prices are intended as each, excluding VAT and ex our warehouse.
2. The prices are subject to variations at any moment, for reasons such as currency changes or increases by manufacturers.
3. Unless otherwise agreed beforehand, payment shall be via bank transfer in advance.
4. In the case of late payment, interest will be charged at the current rate.
5. Claims are only accepted when submitted in writing and no later than 15 days from the date of receipt of the goods.
6. If, upon receipt of the goods, the purchaser believes they have found manufacturing defects, they must notify us within 15 days of arrival of the goods, failing which the claim will be rejected.
Returns:
 - a) Returns must be authorised by our Sales Office, which will confirm approval of the return in writing or by telephone. During this phase, you will also be notified of the name of the forwarding agent to which to consign the goods. The products must be returned undamaged in their original packaging and with suitable external packaging. Returns not received by us in compliance with the above will be returned to the sender with carriage unpaid.
 - b) If the technical examination confirms a manufacturing defect, in unappealable opinion of manufacturer, the necessary repairs or replacement will be made, or a partial or total sum will be credited.
The above represents the only warranty provided by manufacturer. The warranty refers to any manufacturing defects and is invalidated if the products have not been used in accordance with instructions of manufacturer and, in any case, if they have been tampered with, repaired or used incorrectly. The warranty is provided exclusively on our premises and covers faulty materials only and not the costs of forwarding, labour and transport.
 - c) The warranty covers only the item sold by our company, and not other components of the units, also if damaged by the lamp.
7. Forwarding and transport by any means, even when free to the purchaser's or recipient's domicile, are always performed at the purchaser's own risk and hazard. All liability is excluded in the case of breakage, breakdown, theft or tampering during transport. Claims for possible damages during transport must be made exclusively to the courier, with written reservation on the packing list, indicating the reason for the reservation.
8. The delivery times are not binding and, if accepted by the vendor, nonetheless remain subject to events of force majeure. Any claim for damages pursuant to art. 2697 of the Italian Civil Code is therefore excluded.
9. The court of competent jurisdiction for any disputes is the Court of Milan.
